

Thank you for joining us for

PRAYER SUNDAY

Prayer is key! Today we will focus on the importance and effectiveness of prayer. We will be challenged to make a personal commitment and to put forth significant prayer effort during the next month. Please join us as we seek discernment individually and collectively for our church and ministries.

We will be hearing from our Spiritual Emphasis team, Leon Geigley and Menno Yoder. These men have been working together and will be presenting some ideas for ways we can seek God in the next month. We want to truly focus on praying for our church and each other during this time.

Part of the program today will also include the distribution of personal prayer reminders for everyone at Milford. You'll be encouraged to keep the future of our church in your prayers during this journey.

PRAYER HELPS:

1. Devotional Prayer Guide: At the end of the service, you'll receive a devotional we've created for our congregation. This tool can be used by individuals or families.
2. Personal Prayer Reminder: Use this creative visual as an encouragement to pray often!
3. Consider the following topics on your prayer list:
 - a. Our Church Leaders
 - b. The Building, Campaign, and Church Growth Committee as they continue to work together
 - c. People you know within the congregation that are facing difficult personal journeys

WE BELIEVE THE VISION GOD GAVE US IS WELL WITHIN OUR REACH, AND ANY ADDITIONAL NEED CAN BE MET BY PRAYER.

Small Group Presentations

Jesus included everyone. No one ever felt left out when He was around. This change we are making as a church affects every single person, so we want everyone's voices to be heard. We want our church to be a place where people feel welcomed, wanted, and needed.

We will be meeting with all of the small groups over the next two weeks. At that point, everyone will receive a folder with all the information needed to stay well informed. If you are not part of a small group, you will be contacted and have the opportunity to be part of another group that will meet.

YOU WILL NOT BE ASKED TO COMMIT DURING THIS MEETING.

Why are we doing this?

- To discuss the vision for the building project.
- To answer your questions about our project and campaign.
- To outline the remaining steps of the campaign.
